REPORT OF ACCOUNTS FOR APRIL 1909.

BILLS OF E. D. HOSPITAL.

Dated 23rd April 1909.

Three months' contribution towards the expenses of the above Hospital has now been paid in one month. This appears to be irregular. Payment is to be made on monthly bills.

2. Sub-overseers for the Basavangudi and Malleswaram Extensions have not been sanctioned by Government While such is the case, the incumbents are paid from out of the allotments for the works. Is this regular ?

3. *Collection.*—Good. In future, the collection of mohatarfa and house taxes should be shown separately for the current year and towards the arrears due. This will enable us to know how the arrears are being recovered.

4. Again the "Conservancy." A statement was shown to me certified by the Sanitary Inspector to the effect that it was a true copy of the one maintained in the office. When the office Register was sent for and examined, it was noticed that it did not tally with the statement above referred to and there is so much scribbling in the Register that it cannot be relied.

(Sd.) B. K. GARUDACHAR,
Auditor, City Municipal Council, Bangalore.

2. Read plan and estimate amounting to Rs. 16,998 for dismantling the eastern portion of the fort wall at the south gate.

Resolution.—Passed.

3. Read consideration of the question of the revision of the remaining establishments of the Municipality.

Resolution.—To lie over until the finances of the Municipality improve.

4. Read the General and Revenue Secretary's docket No. 8510-9—Ml. 281-08-2, dated the 2nd March 1909, calling for the resolution of the Municipal Council *in re* exempting from payment of Octroi, articles brought into a Municipal town for private use in small quantities.

Resolution.—Deferred.

2. The Cantonment Municipality should be written to to let us know what the existing practice in that Municipality is.

5. Read the Sanitary Commissioner's docket No. 3895-96, dated the 20th March 1909, requesting the opinion of the Municipal Council *in re* the extension of the term of compulsory vaccination in the City for another year or more as the period already fixed will expire on the 30th June 1909.

Resolved that the period of compulsory vaccination in the City be extended by another year.

6. Read Health Officer's Memo dated 5th March 1909 about the inadvisability of permitting Pulipaku Lakshminaraniah to re-build his house No. 30, Dresser Rajappa's Galli, No. V Division, demolished in 1898 under the Epidemic Diseases Regulations.

Resolution.—Referred to the City Improvement Committee for disposal at an early date.

7. Read the Bangalore Deputy Commissioner's docket No. R.—2799, dated the 12th April 1909, calling for the resolution of the Municipal Council in the matter of bearing the cost of relief to weavers in the City.

Resolved that as the income is hardly sufficient to bear the ordinary expenditure, the Municipality is unable to bear any portion of the expenditure connected with relief to weavers in the City.
